内容简介

Moby-Dick, by Herman Melville, is part of the Barnes & Noble Classics series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of Barnes & Noble Classics:

New introductions commissioned from today's top writers and scholars
Biographies of the authors
Chronologies of contemporary historical, biographical, and cultural events
Footnotes and endnotes
Selective discussions of imitations, parodies, poems, books, plays, paintings, operas, statuary, and films inspired by the work
Comments by other famous authors
Study questions to challenge the reader's viewpoints and expectations
Bibliographies for further reading
Indices & Glossaries, when appropriate
All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes & Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works.
