内容简介

One of a series of four fun flap books featuring a colourful range of typically zany Dr. Seuss characters, introducing children to simple concepts such as shapes and time. Using a range of Dr. Seuss characters with bright, bold illustrations and simple rhyming text, this sturdy board book introduces pre-readers to the concept of shapes – round shapes, square shapes, star shapes and more. A flap to flip on every page adds to the fun.

作者简介

Theodor Seuss Geisel - better known to millions of his fans as Dr. Seuss is quite simply the most beloved children's book author in the world.

Brilliant, playful, and always respectful of children, Dr. Seuss charmed his way into the consciousness of four generations of youngsters and parents. In the process, he helped millions of kids learn to read.

Dr. Seuss was born Theodor Geisel in Springfield, Massachusetts, on March 2, 1904. After graduating from Dartmouth College in 1925, he went to Oxford University, intending to acquire a doctorate in literature.

Geisel published his first children's book, *And to Think That I Saw It on Mulberry Street*, in 1937, after 27 publishers rejected it.

Winner of the Pulitzer Prize in 1984, an Academy Award, three Emmy Awards, three Grammy Awards, and three Caldecott Honors, Geisel wrote and illustrated 44 books. While Theodor Geisel died on September 24, 1991, Dr. Seuss lives on, inspiring generations of children of all ages to explore the joys of reading.
