内容简介

Charlie St. Cloud was a blessed boy, destined to do good things in high places. But all that changed the night he survived the car crash that killed his little brother, Sam. Years later, Charlie is still trying to atone for his loss. He has stayed at home, in his snug New England fishing village, tending the lawns and monuments of the ancient cemetery where his brother is buried. You see, Charlie is graced with an extraordinary gift: he can see, talk to, and even play catch with Sam's spirit. Theirs is a perfect, magical world, untroubled until Charlie meets Tess, a captivating, adventurous, yachtswoman. Suddenly he is faced with a choice - between death and life, the past and the present, holding on and letting go.
