内容简介

The first visual dictionary to incorporate dictionary-scale definitions. - More than 20,000 clear and concise terms - 6,000 full-colour, highly detailed illustrations - 17 chapters outlining subjects from astronomy to sports - Ideal for teachers, parents, translators, and students.

作者简介：

Mike Bundlie started his first company at age nine, typing manu*s for fiction authors. While in high school he started his second company, MiraView Design, with clients such as Harvard Medical, the Mayo Clinic, Pizza Hut, and numerous celebrities. After moving to L.A., Mike's client list included the Los Angeles Times, Universal Studios, PBS, and many leading actors and directors. There, he and Kevin O'Donnell began collaborating on educational entertainment properties for kids.
