内容简介

FROM AWARD-WINNING TRANSLATORS, A masterful new translation--never before published---of the novel in which Fyodor Dostoevsky set out to portray a truly beautiful soul.

Just two years after completing *Crime and Punishment*, Dostoevsky produced a second novel with a very different man at its center. In *The Idiot*, the saintly Prince Myshkin returns to Russia from a Swiss sanatorium and finds himself a stranger in a society obsessed with wealth, power, and sexual conquest. He soon becomes entangled in a love triangle with a notorious kept woman, Nastasya, and a beautiful young girl, Aglaya. Extortion and scandal escalate to murder, as Dostoevsky's "positively beautiful man" clashes with the emptiness of a society that cannot accommodate his innocence and moral idealism. *The Idiot* is both a powerful indictment of that society and a rich and gripping masterpiece.
