内容简介

(Book Jacket Status: Jacketed) In "The Mill on the Floss," George Eliot re-creates her own childhood through the story of the wild, gifted Maggie Tulliver and her spoiled, selfish brother. Though tragic in its outcome, this tenderly comic novel combines vivid vignettes of family life with a magnificent portrait of the heroine and an acute critique of Victorian sexual politics. Eliot had no peer when it came to finding the drama at the heart of normal lives lived in tandem with the gigantic rhythms of nature itself, and in "The Mill on the Floss" she shows us once again how thoroughly the art of fiction can satisfy our deepest mental and emotional cravings.

作者简介

Mary Ann Evans (1819-80) began her literary career as a translator, and later editor, of the Westminster Review. In 1857, she published *Scenes of Clerical Life*, the first of eight novels she would publish under the name of 'George Eliot', including *Adam Bede*, *Middlemarch*, and *Daniel Deronda*. A S Byatt is an Honorary Fellow of Newnham College, Cambridge. Her published work includes *The Shadow of the Sun* and *Possession*, the winner of the 1990 Booker Prize.
