"RAZOR-SHARP . . . A SKILLFUL PIECE OF WORK." -"The Washington Post Book World
Lauren Teague is a beautiful, defiant, borderline delinquent teenager when her parents bring her to Dr. Alex Delaware's office. Lauren angrily resists Alex's help-and the psychologist is forced to chalk Lauren up as one of the inevitable failures of his profession. Years later, when Alex and Lauren come face-to-face in a shocking encounter, both doctor and patient are stricken with shame. But the ultimate horror takes place when, soon after, Lauren's brutalized corpse is found dumped in an alley. Alex disregards the advice of his trusted friend, LAPD detective Milo Sturgis, and jeopardizes his relationship with longtime lover, Robin Castagna, in order to pursue Lauren's killer. As he investigates his young patient's troubled past, Alex enters the shadowy worlds of fringe psychological experimentation and the sex industry-and then into mortal danger, when lust and big money collide in an unforgiving Los Angeles.

内容简介

Perennial bestseller and acknowledged master of the psychological thriller, Jonathan Kellerman has created his most riveting and memorable work to date in the Alex Delaware novel about a troubled and elusive young woman whose brutal murder forces the brilliant psychologist-detective to confront his own fallibility. Lauren Teague is a beautiful, defiant, borderline-delinquent teenager when her parents bring her to Alex Delaware's office. But for all Alex's skill and effort, Lauren resists--angrily, provocatively. Reluctantly, the psychologist chalks Lauren up as one of the inevitable failures of a challenging profession. But years later, when Alex encounters Lauren as a stag party's featured entertainment, both doctor and patient are stricken with shame. And the ultimate horror takes place when, soon after, Lauren's brutalized corpse is found dumped in an alley. Alex disregards the advice of his trusted friend, LAPD detective Milo Sturgis, and jeopardizes his relationship with longtime lover, Robin Castagna, in order to pursue Lauren's murderer. As he investigates his young patient's troubled past, Alex enters the shadowy worlds of fringe psychological experimentation and the sex industry, and then into mortal danger when lust and big money collide in Southern California. Jonathan Kellerman's L.A. is evil, seductive, erotic, and unforgiving, and "Flesh and Blood" is mind-opening in its drama of a driven man's personal quest, breathtaking in its ingenious plot, filled with unforgettable characters, and topped off by a terrifying climax. This is suspense fiction at its finest. "From the Hardcover edition."
