## 内容简介

It is 1998, the year in which America is whipped into a frenzy of prurience by the impeachment of a president, and in a small New England town, an aging classics professor, Coleman Silk, is forced to retire when his colleagues decree that he is a racist. The charge is a lie, but the real truth about Silk would have astonished even his most virulent accuser. Coleman Silk has a secret, one which has been kept for fifty years from his wife, his four children, his colleagues, and his friends, including the writer Nathan Zuckerman. It is Zuckerman who stumbles upon Silk's secret and sets out to reconstruct the unknown biography of this eminent, upright man, esteemed as an educator for nearly all his life, and to understand how this ingeniously contrived life came unraveled. And to understand also how Silk's astonishing private history is, in the words of "The" "Wall Street Journal," "magnificently" interwoven with "the larger public history of modern America."

## 作者简介

In 1997 Philip Roth won the Pulitzer Prize for American Pastoral. In 1998 he received the National Medal of Arts at the White House, and in 2002 received the highest award of the American Academy of Arts and Letters, the Gold Medal in Fiction, previously awarded to John Dos Passos, William Faulkner, and Saul Bellow, among others. He has twice won the National Book Award, the PEN/Faulkner Award, and the National Book Critics Circle Award. In 2005, Philip Roth will become the third living American writer to have his work published in a comprehensive, definitive edition by the Library of America. The last of the eight volumes is scheduled for publication in 2013.
