内容简介

After traveling the world to exotic lands, Alexandra, Jane, and Sukie – now widowed but still witches – return to the Rhode Island seaside town of Eastwick, “ the scene of their primes, ” site of their enchanted mischief more than three decades ago. Diabolical Darryl Van Horne is gone, and what was once a center of license and liberation is now a “ haven of wholesomeness ” populated by hockey moms and househusbands acting out against the old ways of their own absent, experimenting parents. With spirits still willing but flesh weaker, the three women must confront a powerful new counterspell of conformity. In this wicked and wonderful novel, John Updike is at his very best – a legendary master of literary magic up to his old delightful tricks.
