开本：16开

纸张：胶版纸

包装：精装

是否套装：否

国际标准书号ISBN：9780195279061

## 内容简介

Here the well-received augmentation of the ScofieldRG study notes and reference system is combined with a modern version of the Bible. The New American Standard Bible is celebrated for accurately communicating the meaning of the original texts to today's readers. It is an excellent guide for those seeking a contemporary English translation with a high degree of fidelity to the Hebrew and Greek of the Bible. The NASB translation is accompanied by a wealth of features that clarify the ideas underlying the Scofield's annotations for modern readers. An abundance of factual information is presented in topical articles, charts, and lists that add depth and richness to study time. In addition, there are enhanced book introductions, accurate in-text maps, authoritative full color maps, and page bottom notes.
