Preface

1 Making choices

Why did Argentina succeed and the US stall?

2 Cities

Why didn't Washington D.C get the vote?

3 Trade

Why does Egypt import half its staple food?

4 Natural resources

Why are oil and diamonds more trouble than they are worth?

5 Religion

Why don't Islamic countries get rich?"

6 Politics of development

Why does our asparagus come from Peru?

7 Trade routes and supply chains.

Why doesn't Africa grow cocaine?

8 Corruption

Why did Indonesia prosper under a crooked ruler and

Tanzania stay poor under an honest one?

9 Path dependence

Why are pandas so useless?

10 Conclusion

Our remedies often in ourselves do lie

Selective bibliography and notes
