内容简介

Long summer days illuminate vibrant cities, where history blends with cutting-edge design. The aurora borealis sways above a vast landscape of wilderness, and dense forests and clear lakes frame picturesque wooden cottages. Discover Sweden's captivating and diverse depths with this insightful, expert guide.

Explore inspiring itineraries, highlights and planning information help you tailor your trip

Get Out & About hike above the Arctic Circle, cruise the Göta Canal or dogsled through Lapland using our practical activities chapter

Stay In Style from country cabins to sleek designer hotels, hand-picked accommodation for all budgets

Celebrate Christmas markets, midsummer festivals and more, Sweden's special events uncovered

Be In The Know Norse legends, Sami culture and modern design: history and culture coverage puts the country in context
