内容简介

We live in an age of unprecedented opportunity: with ambition, drive, and talent, you can rise to the top of your chosen profession?regardless of where you started out.

But with opportunity comes responsibility. Companies today aren?t managing their knowledge workers? careers. Instead, you must be your own chief executive officer. That means it?s up to you to carve out your place in the world and know when to change course. And it?s up to you to keep yourself engaged and productive during a career that may span some 50 years.

In *Managing Oneself*, Peter Drucker explains how to do it. The keys: Cultivate a deep understanding of yourself?by identifying your most valuable strengths and most dangerous weaknesses. Articulate how you learn and work with others and what your most deeply held values are. Describe the type of work environment where you can make the greatest contribution. We live in an age of unprecedented opportunity: with ambition, drive, and talent, you can rise to the top of your chosen profession?regardless of where you started out. But with opportunity comes responsibility. Companies today aren?t managing their knowledge workers? careers. Instead, you must be your own chief executive officer. That means it?s up to you to carve out your place in the world and know when to change course. And it?s up to you to keep yourself engaged and productive during a career that may span some 50 years. In *Managing Oneself*, Peter Drucker explains how to do it. The keys: Cultivate a deep understanding of yourself?by identifying your most valuable strengths and most dangerous weaknesses. Articulate how you learn and work with others and what your most deeply held values are. Describe the type of work environment where you can make the greatest contribution. Only when you operate with a combination of your strengths and self-knowledge can you achieve true?and lasting?excellence. *Managing Oneself* identifies the probing questions you need to ask to gain the insights essential for taking charge of your career. Peter Drucker was a writer, teacher, and consultant. His thirty-four books have been published in more than seventy languages. He founded the Peter F. Drucker Foundation for Nonprofit Management, and counseled thirteen governments, public services institutions, and major corporations.
