## 内容简介

Never before in the history of the workplace has the concept of teamwork been more important to the functioning of successful organizations. Ken Blanchard, bestselling coauthor of *Raving Fans*, *The One Minute Manager*, and *Gung Ho!* teams up with Donald Carew and Eunice Parisi-Carew to explain how all groups move through four stages of development on their way to becoming high performing teams -- orientation, dissatisfaction, integration, and production. The authors then show how a manager can help any group to become fully effective quickly and with hardly any stress.

This valuable addition to *The One Minute Manager*® Library is essential for anyone who works with groups and wants to build a high performing team.
