## 内容简介

This title is compiled and introduced by M.J. Elliot. From the unsurpassed imagination of the creator of Conan, Robert E. Howard, here are twenty-one tales of suspense, high adventure and Lovecraftian horror. Foul sacrifices are made to a reptilian God in Hungary, a werewolf prowls the corridors of a castle in strife-torn Africa, criminal masterminds on both sides of the Atlantic vie for world domination, an enchanted ring exerts a terrible influence upon its wearer...And, as written in the pages of the accursed Necronomicon and Unaussprechlichen Kulten, the Great Old Ones watch our world from beyond the void - and wait...

## 目录
