内容简介

“ Criticism ” is divided into four sections and represents the best criticism and interpretation of Donne ’ s writing: “ Donne and Metaphysical Poetry ” includes seven seventeenth-century views by contemporaries of Donne such as Ben Jonson, Thomas Carew, and John Dryden, among others; “ Satires, Elegies, and Verse Letters ” includes seven selections that offer social and literary context for and insights into Donne ’ s frequently overlooked early poems; “ Songs and Sonnets ” features six analyses of Donne ’ s love poetry; and “ Holy Sonnets/Divine Poems ” explores Donne ’ s struggles as a Christian through four authoritative essays.

A Chronology of Donne ’ s life and work, a Selected Bibliography, and an Index of Titles and First Lines are also included.
