内容简介

Sidestepping the tragic figure presented in other books, "Marilyn Monroe: Platinum Fox" provides a light-hearted and humorous look at a legend like no other! Sixty years after her image first flickered on the screen, Marilyn Monroe remains the ultimate Hollywood star, a face and name more recognizable than current performers. What remains to be explored about 'Marilyn'? Here we celebrate what first made her a star. Profusely illustrated with colour and black and white stills from the 20th Century Fox archives - some of which will be seen for the first time in this book - "Marilyn Monroe: Platinum Fox" focuses on quintessential Marilyn in classics like "Gentleman Prefer Blondes", "The Seven Year Itch" and her other Fox films. The text is filled with behind-the-scenes stories, memorable movie quotes, film facts, trivia, plotlines, character profiles and highlights of the most Marilyn moments.
