An essential resource—completely revised and updated for the sixtieth anniversary of the founding of Israel

In print for forty years, *The Israel-Arab Reader* is a thorough and up-to-date guide to the continuing crisis in the Middle East. It covers the full spectrum of the Israel-Arab conflict—including a new chapter recounting the Gaza withdrawal, the Hamas election victory, and the Lebanon-Israel War. Featuring a new introduction that provides an overview of the past 115 years of conflict, and arranged chronologically and without bias, this comprehensive reference includes speeches, letters, articles, timelines, and reports dealing with all the major interests in the area.
