内容简介

The world--famous former con artist and bestselling author of *Catch Me if You Can* now reveals the mind--boggling tricks of the scam trade--with advice that has made him one of America's most sought--after fraud--prevention experts.

"I had as much knowledge as any man alive concerning the mechanics of forgery, check swindling, counterfeiting, and other similar crimes. Ever since I'd been released from prison, I'd often felt that if I directed this knowledge into the right channels, I could help people a great deal. Every time I went to the store and wrote a check, I would see two or three mistakes made on the part of the clerk or cashier, mistakes that a flimflam artist would take advantage of. . . . In a certain sense, I'm still a con artist. I'm just putting down a positive con these days, as opposed to the negative con I used in the past. I've merely redirected the talents I've always possessed. I've applied the same relentless attention to working on stopping fraud that I once applied to perpetuating fraud."

作者简介

A former professional impostor and the author of the bestselling memoir, *Catch Me If You Can*, Frank W. Abagnale is one of the world's most respected authorities on the subjects of forgery and secure documents. A world-renowned consultant for more than twenty-five years, he lectures at the FBI's Financial Crimes Unit and is a secure-document expert for the Standard Register Company and other high-security printers around the world.
