内容简介

Introducing the first all-in-one guide to site furniture principles, processes, and best practices Furniture matters-outdoors as well as in. Understanding the connections between site and site furniture enhances the creative opportunities for designers of outdoor spaces and increases their ability to influence the long-term success of the spaces they design. Site Furnishings comprehensively examines how to elevate the design of site furnishings to achieve programming goals.

Intended for landscape architects, designers, and contractors, as well as urban planners and designers, civil engineers, and other professionals, this accessible resource explores the ways that furniture contributes to the quality of outdoor spaces, and provides conceptual tools, technical information, and examples of successful applications. Just as important, it provides an in-depth overview of the elements that comprise site furnishings and the critical issues that inform site furniture selection.

Supported by case studies and an abundance of high-quality phot

作者简介

BILL MAIN, Honorary ASLA, is President of Landscape Forms, one of the world's premier designers and manufacturers of outdoor commercial furniture. He received his BSLA and MBA from Michigan State University.

GAIL GREET HANNAH is a freelance writer who frequently works with furniture companies such as Knoll and Landscape Forms, and is the author of several design-related books.
