## 内容简介

Written for all job hunters – new entrants, mid – level people, very experienced individuals, and technical and non – technical job seekers – Answering Tough Interview Questions For Dummies is packed with the building blocks for show – stopping interviews.

## 作者简介

Dr Rob Yeung is a director at business psychology consultancy Talentspace, where he specialises in management assessment – training interviewers, designing assessment centres, and interviewing candidates on behalf of employers. He also tries to set aside time to coach individual job hunters on interview technique. He has interviewed candidates for jobs ranging from customer service staff to managing directors across industries as varied as banking, technology, law, accountancy, airlines, and advertising and media.

He has written for Financial Times, Daily Telegraph, and Guardian and contributed to publications from Men ' s Health and New Woman to Accountancy and Sunday Times. He has published eleven other books on career and management topics.

He is often seen on television including CNN and Channel 4 ' s Big Brother ' s Little Brother. A chartered psychologist of the British Psychological Society with a Ph.D. in psychology from the University of London, he is a popular conference speaker and presenter of a highly acclaimed BBC television series on job hunting.
