内容简介

The second edition includes over 25 percent new and updated information including:

New information on the separate accounting and financial reporting standards for private/small businesses versus public/large businesses

Updated information that reflects the 2007 law on international financial reporting standards

New content to match SEC and other governmental regulatory changes over the past three years

New information about how the analyst-corporate connection has actually changed the playing field

The impact of corporate communications and new technologies

New examples that reflect the current trends

Updated websites and resources

作者简介

Lita Epstein, MBA, is a seasoned financial writer who focuses on helping people understand the complex worlds of money and finance. She was a financial manager for a medical clinic and content director for a financial services Web site, MostChoice.com. She also writes for AOL's Blogging Stocks and WalletPop.
