—Geoff Bellman, consultant and author, *The Consultant's Calling* "Mary Beth brings a keen business focus to coaching by not just contributing insights but through helping me and my team gain the insights that we need to solve our own problems. She has the ability to see through the sometimes chaotic dialogue and personalities in order to help a team focus on the real issues and dynamics that can impede organizations from achieving their goals." —John C. Nicol, general manager, MSN Media Network "Effective leaders require courage, compassion, and initiative. O'Neill's systems-based coaching serves as a guide for both coaches and executives to better enable good decisions and good decision-makers." —Paul D. Purcell, president, Beacon Development Group "With Mary Beth O'Neill's coaching, I've become the kind of leader who balances both the needs to get results and to develop great working relationships. Since I started working with her, I've won accolades as the Top Innovator for my company, and as Professional of the Year for my industry. More important, I've been able to scope my job in a way that allows me to learn and contribute at the same time, all the while delivering great results to the bottom line." —Lynann Bradbury, vice president, Waggener Edstrom
