内容简介

What can you learn from four Canadian real estate experts who have 100-plus years of collective investing experience?

Whether you are a beginning investor or own a portfolio of residential units, 97 Tips for Canadian real Estate Investors will provide you with insights, strategies and success stories to help you build wealth faster and save time and money.

You'll discover the challenges and pitfalls they have experienced-and how to avoid them. They will outline success strategies based on the proven Authentic Canadian Real Estate System that works in markets all across Canada, time and time again. From understanding the principles and economics of investing, to sourcing properties and financing, closing deals and becoming a landlord, 97 Tips is chockfull of great ideas for investors who want to achieve beyond their dreams.

作者简介： Don R. Campbell is the author of the Canadian bestseller Real Estate Investing in Canada, a book that all real estate investors should have as an action tool and reference. Don is president of the Real Estate Investment Network(REINTM), whose membership exceeds 1,400 successful Canadian investors and whose investment in Canadian residential real estate tops \$1.25 Billion. In his real estate seminars, Don shares his years of hands-on experience as he teaches strategies in live workshops across the country (www.reincanada.com,) that he has personally tested in the real world. He has helped inventors achieve their dreams and charities such as Habitat for Humanity benefit from his enterprise?
