内容简介

Respected cultural travel guides featuring Michelin stars and tours. This completely revised new edition features Canada's top attractions, most interesting towns, best driving tours, shopping hot spots, hotels and restaurants. Divided into regions, Green Guide Canada's tours, maps, illustrations and color photographs bring serene landscapes and rich history to life. Whether hiking through the Rockies, dog-sledding in Nunavut, or brushing up on your French in Quebec, Michelin's celebrated star-rating system and respected maps make sure you see the best that Canada has to offer.
