A brand new edition from Insight for smart travellers brings you the Smart Guide to Venice. The unique and innovative A-Z format of Smart Guides allows you to find your way around the book with ease and plan your trip according to your own personal taste. Fully revised and up-to-date themed headings cover over 400 amazing things to see and do from architecture, history, cafes, churches, museums and hotels, to fashion, nightlife, restaurants, bars, shopping, theatre and much more, for a truly tailor-made, individual travel experience. Area overviews cover Piazza San Marco, Canale Grande, Castello, San Polo, the Lido and more; conveniently highlighting the best each area has to offer, alongside beautiful photography. The front-cover flap highlights the 'Top Sights' of Venice, pinpointing exactly where to find these within the guide and allowing you to set priorities for your trip. The guide also contains a street atlas with full index and detailed mapping which is cross-referenced to the main text for ease of use. The back-cover flap provides practical travel information, such as important telephone numbers and useful Italian phrases. Smart Guides - the smart way to navigate.
