内容简介

A brand new edition featuring a practical A-Z format that allows you to find your way around the book with ease and plan your trip according to your very own personal taste. Themed headings cover over 400 things to see and do in London from recommended hotels, architecture, history, bars and cafes, churches, museums and galleries, to restaurants, theatre, literature and much more, allowing you to set your own priorities for a truly tailor-made and individual travel experience. The front-cover flap highlights all the top attractions and pinpoints exactly where to find these within the guide, for quick and easy reference at a glance. From stately Westminster and upmarket Kensington to the dynamic South Bank and trendy East End, area overviews conveniently highlight the very best each district has to offer, including lesser known sights and up-and-coming areas to look out for. Special chapters focus on London's vibrant cultural, nightlife and shopping scenes. The guide also contains a street atlas with full index and detailed mapping, cross-referenced to the main text for easy navigation.
