内容简介

A brand new edition of our Insight Step by Step Guide to Paris. This itinerary-based guide details 20 of the City's best walks and tours, written by a local expert, for that personal touch and insider information. All itineraries are arranged by theme for a truly tailor-made travel experience, so whether you are an art enthusiast, gourmet, historian, shopaholic, architecture buff, or simply want to escape the crowds; there is a tour to suit. This edition includes more detailed information on popular sites such as the fashionable Bastille area and cultural attractions in La Defense, and has revised and updated coverage for Disneyland Paris, including the expansion of the Disney Studios area and the new Toy Story Playland. For those wanting to enjoy the full Parisian experience, this is an ideal way to link the top attractions with places to eat, drink and rest along the way, along with opening times and admission prices. All itineraries are marked on full-colour detailed maps alongside the text and also on a separate, fully indexed pull-out map that can be used in conjunction with the guide or independently, to ensure easy navigation at all times.
