内容简介

Step-by-Step Sydney reveals this exciting city through a selection of clearly laid-out walks and tours, complemented by beautiful, full-color pictures, an authoritative narrative voice, and a wealth of practical information, all in a compact package.

The guide starts with Recommended Tours, suggesting the book's best tours for swimmers, art-lovers and shoppers, among others.

In the Overview, an engaging introduction reveals essential background information on Sydneyside culture, geography, and lifestyle, plus the lowdown on food, drink, shopping, entertainment, history and Sydney's outdoors attractions. This provides all the background information needed to set the walks and tours in context.
