## 编辑推荐

Building on the market-leading success of Berlitz Pocket Guides, this brand new series features a much higher level of detail in these comprehensive, yet portable Handbooks. With an emphasis on practical information, these guides provide an invaluable on-the-ground reference. Containing experiences unique to Australia, with practical advice on how to make the most of local activities. Other features include a country fact file and recommended and fully mapped tours highlighting the key sights ideal for holiday planning. The carefully selected top 25 attractions give you a flavour of exciting and interesting things to see and do on your trip, including experiencing the extraordinary Great Barrier Reef, seeing the natural phenomenon of Wilpena Pound or camel-riding along the scenic Cable Beach. There is also an extensive phrase book section, providing a wealth of language expertise for which the Berlitz brand is famous. The Berlitz Handbook series is one of the most content-rich, full-colour series' available; the hallmark of Berlitz. Don't leave home without this wealth of practical information at your fingertips.
