编辑推荐

The timeless wisdom of Sun Tzu's "The Art of War" is as effective in the modern boardroom as it was on the ancient battlefield, providing simple strategies for success and victory. Includes commentary and historical notes from the translator.

内容简介

Another influential Penguin Classic-now available in our signature black-spine dress

For more than two thousand years, Sun-Tzu's *The Art of War* has provided military leaders with essential advice on battlefield tactics, managing troops and terrain, and employing cunning and deception. An elemental part of Chinese culture, it has also become a touchstone for the Western struggle for survival and success, whether in battle, in business, or in relationships. With this volume's crisp, accessible translation and lively, learned introduction, even those readers familiar with *The Art of War* will experience it anew, finding it more fascinating-and more chilling-than ever.

作者简介

Little is known about Sun Tzu (544-496 B.C.) and his life during the Warring States period after the decline of the Zhou dynasty, but his classic, *The Art of War*, has been one of the central works of Chinese literature for 2500 years. John Minford (editor/translator) studied Chinese at Oxford and at the Australian National University and has taught in China, Hong Kong, and New Zealand. He edited (with Geremie Barme) *Seeds of Fire: Chinese Voices of Conscience* and (with Joseph S. M. Lau) *Chinese Classical Literature: An Anthology of Translations*. He has translated numerous works from the Chinese, including the last two volumes of the Penguin Classics edition of Cao Xueqin's eighteenth-century novel *The Story of the Stone* and the martial-arts fiction of the contemporary Hong Kong novelist Louis Cha.
