内容简介

The DVD edition of Contemporary Chinese, sponsored by the Office of Chinese Language Council International, is a high-quality video course targeting at the Chinese learning students. Based on the teaching material series, it has the following features:

- It is hosted by both Chinese and foreign comperes in English.
- It is a ready-to-use collection for teachers
- The teaching contents are the same as that of the paper editions and all the situational dialogues are based on the texts of the paperbooks.
- Students from home and abroad play roles in it
- It aims to attract both classroom and self-taught learners
- It is suitable for Chinese-learning programme on television
