内容简介

"Money is congealed energy," said Joseph Campbell. And releasing it releases life's possibilities. . . . Thousands of people worldwide have learned how to build a powerful new relationship with their money and bring their dreams to fruition through Dr. Maria Nemeth's dynamic workshops. Now you can, too. In *The Energy of Money*, Dr. Nemeth--who received an Audio Publishers Award for her Sounds True series on which this book is based--draws upon her more than twenty years' experience in synthesizing spiritual and practical techniques for managing yourself and your work to create a revolutionary program that can free your financial energy and use it to achieve personal life goals and financial wealth. Combining a complete self-help and self-discovery regimen with proven methods of money management, this powerhouse guide to prosperity presents twelve principles that will help you to

- Uncover the hidden landscape of beliefs, patterns, and habits that underlie and sometimes subvert your everyday use of money and personal resources
- Tame the dragons of driven behavior and busyholism
- Defuse fears of deprivation and scarcity
