作者简介

Herbert George Wells was born on September 21, 1866, in Bromley, Kent, the son of a shop-owning father and a religious mother. The first major event in his life happened when he was eight, and broke his leg. He spent the subsequent months inside, where his father brought him books from the library, including books on natural history and biology, cultivating in him a lifelong love of science and reading.

内容简介

ENDURING LITERATURE ILLUMINATED BY PRACTICAL SCHOLARSHIP

H. G. Wells's unforgettable science fiction adventure that explores the future of mankind-and the all-too-human savagery that may spell its doom.

EACH ENRICHED CLASSIC EDITION INCLUDES:

- A concise introduction that gives readers important background information
 - A chronology of the author's life and work
 - A timeline of significant events that provides the book's historical context
 - An outline of key themes and plot points to help readers form their own interpretations
 - Detailed explanatory notes
