## 内容简介

Virginia Woolf's singular technique in *Mrs Dalloway* heralds a break with the traditional novel form and reflects a genuine humanity and a concern with the experiences that both enrich and stultify existence. Society hostess, Clarissa Dalloway is giving a party. Her thoughts and sensations on that one day, and the interior monologues of others whose lives are interwoven with hers gradually reveal the characters of the central protagonists. Clarissa's life is touched by tragedy as the events in her day run parallel to those in the day of Septimus Warren Smith, whose madness as his life draws toward inevitable suicide.

The delicate artistry and lyrical prose of Woolf's fourth novel establish her as a writer of profound talent.
