内容简介

In 1961, Michael Rockefeller disappeared along the treacherous coasts of New Guinea. A massive search was mounted for the 23-year-old son of New York Governor Nelson Rockefeller and Fourth-generation heir to the fortune of John D. Rockefeller.

In the Search for Michael Rockefeller. Milt Machlin recounts his fascinating adventures in pursuit of the truth of the young scion's fate. Against a jungle backdrop of headhunting and cannibalism, strange "cargo cult" beliefs and revenge killings, Machlin spins his exciting yarn with late-night, round-the-campfire brio.
