内容简介

J.otto Seibold and Vivian Walsh live in California with their two daughters, Theadora and Amelia; and their two dogs, Olive and Mr. Lunch. J.otto draws all of the time. It's his job. He's a professional. He draws on a computer, which makes him sort of like a scientist. But he doesn't wake up until noon, which makes him like an artist. J.otto Seibold and Vivian Walsh have written and illustrated four books for children, Mr. Lunch Takes a Plane Ride, Mr. Lunch Borrows a Canoe, Monkey Business, and。
