内容简介

Completely updated every year (unlike most of the competition), Frommer's Mexico features gorgeous full-color photos of the white-sand beaches, mysterious ruins, and colorful market towns that await you. Our authors have lived in and written about Mexico for years, so they're able to provide valuable insight and advice. They'll steer you away from the touristy and the inauthentic, and show you the real heart of Mexico. Let them take you to exciting cities, charming colonial towns, lovely beach resorts, ancient ruins, traditional Maya villages, and natural wonders, from the Copper Canyon to the whale migration off Baja.

You'll travel Mexico like a pro with our candid advice and handy Spanish-language glossary. Also included are accurate regional and town maps (including site plans of the major ruins), up-to-date advice on finding the best package deals, a free color fold-out map, and an online directory that makes trip-planning a snap!
