内容简介

This newly revised and updated edition of the classic resource on museum marketing and strategy provides a proven framework for examining marketing and strategic goals in relation to a museum's mission, resources, opportunities, and challenges. Museum Marketing and Strategy examines the full range of marketing techniques and includes the most current information on positioning, branding, and e-marketing. The book addresses the issues of most importance to the museum community and shows how to

Define the exchange process between a museum's offerings and consumer value
Differentiate a museum and communicate its unique value in a competitive marketplace
Find, create, and retain consumers and convert visitors to members and members to volunteers

and donors

Plan strategically and maximize marketing's value

Achieve financial stability

Figures, Tables, and Exhibits

Develop a consumer-centered museum

作者简介

Neil G. Kotler is the president of Kotler Museum and Cultural Marketing Consultants, Arlington, Virginia, and a former museum professional at the Smithsonian Institution.

目录
