内容简介

Paul Nicklen, a resident of Yellowknife, Northwest Territories, has lived nearly all his life in the far north. Trained as a biologist, he is an experienced wilderness guide, as well as an internationally acclaimed photographer. Hugu Brody is an associate of the Scott Polar Research Institute at Cambridge University. He is the author of several books, including *Maps and Dreams*, *Indians on Skid Row*, and *Inishkillane: Change and Decline in the West of Ireland*. He lives in London.
