## 内容简介

First published in "The New Yorker" in the 1950s, "Raise High the Roof Beam, Carpenters and Seymour: an Introduction" are two novellas narrated by Buddy Glass, a character often said to be a portrait of Salinger himself. In the first, Buddy has taken leave from the army during World War II to attend the wedding of the eldest Glass brother, Seymour, and an atmosphere of portentous suspense sets the scene for the tragedy that will follow. In the second, Buddy reminisces about Seymour and the novella unfolds into a deep and far-reaching exploration of a complex and sad character which displays all the tenderness and subtlety which distinguish the best of Salinger's writing.

## 作者简介

J D Salinger was born in 1919. He grew up in New York City, and wrote short stories from an early age, but his breakthrough came in 1948 with the publication in The New Yorker of 'A Perfect Day for Bananafish'. The Catcher in the Rye was his first and only novel, published in 1951. It remains one of the most translated, taught and reprinted texts, and has sold some 65 million copies. It was followed by three other books of short stories and novellas, the most recent of which was published in 1963. He lives in Cornish, New Hampshire.
