"A superb performance, all grace and dazzle...a brilliant portrait of middle America." -- Life
The assumptions and obsessions that control our daily lives are explored in tantalizing detail by master novelist John Updike in this wise, witty, sexy story. Harry Angstrom -- known to all as Rabbit, one of America's most famous literary characters -- finds his dreary life shattered by the infidelity of his wife, Janice. How he resolves -- or further complicates -- his problems, makes for a novel of the first order.
