内容简介

Throughout history, some books have changed the world. They have transformed the way we see ourselves- and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives - and destroyed them. Now PENGUIN brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

Gibbon's subversive and iconoclastic de*ion of the rise of Christianity inspired outrage upon publication and remains one of the most eloquent and damning indictments of the delusory nature of faith.
