作者简介 : James E. Dowd, M.D., F.A.C.R., is Associate Professor of Medicine at Michigan State University and the founder and director of both the Arthritis Institute of Michigan and the Michigan Arthritis Research Center. Dr. Dowd's board certifications include general internal medicine, adult rheumatology, and pediatric rheumatology. He has been widely published in the professional literature and has been interviewed on TV and radio.

内容简介

Groundbreaking new research has traced the source of a wide array of to a single common factor—vitamin D deficiency. Leading rheumatologist and researcher Dr. James Dowd reveals the causes of vitamin D deficiency and offers a simple, easy-to-follow five-step program that can eliminate or alleviate a host of seemingly incurable conditions, such as arthritis, in as little as six weeks. Better yet, by staying on the program, you can enjoy robust health and improved fitness for the rest of your life.
