内容简介

The design of coffee shops is increasingly on the move. Where cafes have traditionally been viewed as places principally to enjoy a coffee, they have evolved to show a broad range of multifunctional purposes and amenities: They can, for instance, exist as cozy lunch-time meeting spots before abruptly transforming into vibrant late-night bars after sundown. *Caf! Best of Coffee Shop Design* shows the wide scope of different cafe concepts, including coffee bars as integral parts of cutting-edge multipurpose buildings, flagship stores and traditional shops with a contemporary twist. The 40 projects featured comprise an extensive variety of designs and styles, ranging from minimalist, strict and reduced, to opulent and extravagant.
