## 编辑推荐

#### 作者简介:

Martin T. Biegelman, CFE, is Director of Financial Integrity for Microsoft Corporation in Redmond, Washington. He created and leads a worldwide fraud detection, investigation, and prevention program based within internal audit at Microsoft. In addition to focusing on preventing financial fraud and abuse, he promotes financial integrity and fiscal responsibility in a COSO framework of improved business ethics, effective internal controls, and greater corporate governance.

## 内容简介

Praise for Executive Roadmap to Fraud Prevention and Internal Control

"Our nation is faced with dual alarming trends of record highs in white-collar crime and seemingly record lows in ethics. The solution cannot be left only to legislators, regulators, and law enforcement. It requires the attention of all of us in business to create a culture of compliance. This new book by Martin Biegelman and Joel Bartow is an invaluable resource to achieving the highest levels of compliance."

--Kenneth J. Hunter, former chief postal inspector and former president & CEO of the Council of Better Business Bureaus

"This is a timely and thought-provoking addition to fraud and risk management literature. For seasoned executives who are navigating the maze of compliance, legislative requirements, and increasingly sophisticated criminal activity, this book will be a frequent reference and guide. Neophyte managers will gain years of insight and direction that can only benefit their organizations. Academics, both faculty and students, will learn from the authors' ability to apply theory to highlevel practice." Praise for Executive Roadmap to Fraud Prevention and Internal Control "Our nation is faced with dual alarming trends of record highs in white-collar crime and seemingly record lows in ethics. For seasoned executives who are navigating the maze of compliance, legislative requirements, and increasingly sophisticated criminal activity, this book will be a frequent reference and guide. Neophyte managers will gain years of insight and direction that can only benefit their organizations. Academics, both faculty and students, will learn from the authors' ability to apply theory to high-level practice." -- Gary R. Gordon, EdD, Professor of Economic Crime Management and Executive Director, Economic Crime Institute of Utica College "All executives need to protect themselves and their organizations from the potentially catastrophic damage fraud

can cause, both financially and reputationally. This new book is a very clear and practical guide to achieving that goal." --Toby J. F. Bishop, President and Chief Executive Officer, Association of Certified Fraud Examiners "This book is a must-read for anyone eager to understand--and prevent--the toxic mix of temptations that can destroy a company's reputation overnight. The authors, both seasoned former fraud investigators, bring a unique, clear-eyed perspective to the topic of corporate fraud. They have seen it all, and their book is an invaluable reference for senior management, compliance executives, in-house lawyers, and anyone else who cares about corporate integrity."--Leslie R. Caldwell, Partner, Morgan Lewis & Bockius former director, U.S. Department of Justice Enron Task Force "Excellent resource! A great guide for corporate management in the post-Enron world." --Karen A. Popp, Partner, Sidley Austin Brown & Wood LLP and former associate counsel to President Bill Clinton and former federal prosecutor <u><u>R</u>示全部信息</u>
