内容简介

Robert M. Adams' superlative revised translation of *Candide* provides the basis for this widely adopted Norton Critical Edition. The accompanying apparatus has been revised in accordance with recent biographical and critical materials.

The Backgrounds and Criticism sections provide important essays that shed light on major critical issues relevant to *Candide* and to the intellectual climate of the period.

In addition to the reports of five English visitors to Ferney, essays by Haydn Mason, Erich Auerbach, Ernst Cassirer, and Robert M. Adams are included.

The final section of the edition, "The Climate of Controversy," summarizes the debate surrounding Voltaire's works and includes essays by Peter Gay, Raymond Naves, Gustave Lanson, and John Morley.

Also included are a series of quotations about Voltaire by such prominent figures as Gustave Flaubert, Frederick the Great, and Stendhal, as well as the text of "Pangloss's Song," a ballad from the 1956 *Candide*-based operetta by Richard Wilbur.

作者简介

Robert M. Adams was Professor of English Emeritus, University of California at Los Angeles. He was the author of many books, including *Ikon: John Milton and the Modern Critics*, *Strains of Discord*, *Surface and Symbol*, *The Land and Literature of England*, an
