作者简介：

Lawrence A. Cunningham is Director of The Samuel and Ronnie Heyman Center on Corporate Governance and Professor of Law at Cardozo Law School, New York City. He prepared this collection as the centerpiece of a symposium featuring Buffett's letters. His other books include *How to Think Like Benjamin Graham* and *Invest Like Warren Buffett*.

内容简介

Lessons for Investors and Managers Experienced readers of Warren Buffett's letters to the shareholders of Berkshire Hathaway Inc. have gained an enormously valuable informal education. The letters distill in plain words all the basic principles of sound business practices. On selecting managers and investments, valuing businesses, and using financial information profitably, the writings are broad in scope, and long on wisdom.
