内容简介

A city is hit by an epidemic of "white blindness" that spares no one. Authorities confine the first to go blind to an empty mental hospital, but there the criminal element holds everyone captive, stealing food rations and assault-ing women. There is one eyewitness to this nightmare who guides seven strangers through the barren streets to freedom--a procession as uncanny as the surroundings are harrowing.

Blindness is an unsettling portrait of man's inhumanity to man-and of humankind's resilient spirit.
