## 内容简介

Waking at dawn for the freshest sushi breakfast at Tsukiji Market. Sinking sake in the down'n'dirty alleys of the Golden Gai. Playing paparazzo to Harajuku's famed and outrageously clad cosplay zoku (costume-play gang). Strutting down Ginza's boulevard lined with fashion straight off the catwalk. Blowing off steam the traditional way, in a popular neighborhood onsen.

## 作者简介

Wendy Yanagihara is the author of Lonely Planet Japan.
